## Presidents Report, August 2024.

Welcome All to another K&DVMC newsletter.

Thanks to Gary Fowler (Serge) for running last month's meeting in my absence. Thanks also to Adam for jumping into his new role as Club Captain, organizing the last few activities, which by all accounts have been good outings and well attended. The committee is still moving along with many of its members undertaking their roles in the background somewhat unseen. We all appreciate the work they do to keep this awesome club functioning.

But that leads into a reminder with regards to out-standing fees and forms, please if you're on the list, get this sorted as soon as possible with Di & Caren to retain your club permits with Vic Roads.

Upcoming events are the Car trial Saturday 17<sup>th</sup>, August (see attached flyer). \$5 entry fee per vehicle and any subsequent cash that is collected will be donated to a worthy cause, this will be a discussion for the next meeting.

We have had a request to do a car display at the Book Parade Friday 23<sup>rd</sup> August, the same as last year. It was received well and would be great to do again, details of location, time etc. will follow by text when we have them.

As part of some of our monthly meetings, I would like to have a visiting speaker, either sharing their knowledge, products or experiences, if you have any ideas of what you would like to see, please let me know and we will endeavor to follow it up.

Thanks, and may you all keep the wheels turning,  
Lee Guest.

**RENEWAL MEMBERSHIPS OUTSTANDING**

This is not meant to be a name/shame list of members, merely a reminder to those members who may have forgotten/overlooked that they haven't renewed their 2024/25 membership or forgotten to hand in their completed paperwork. At the end of August I will be notifying Vic Roads of the non-financial members, Vic Roads will then deem those members as non-compliant with their regulations of being a financial member of a car club in order to keep their Red Plated car registered.

If you know someone on this list who you know never reads the newsletter, please give them a 'heads up'. Thank You, Caren Coates

## Club Run to Dee's Dairy.

There was a good roll up of members who turned up at Dee's Robotic Dairy. The day was a bit chilly but that is what to expect at this time of year, the tour was very informative, they had eight robots in action milking the cows regularly, 24 hours a day and the cows like it so much they try to get milked to often but the machine just kicks them out.

Lunch was at the Pyramid pub, everyone enjoyed a great meal.

# Kids Challenge.

Every year we take the kids for a drive in the classic cars, this year it was from Tree Tops near Cohuna to the Barham Golf Club.

As we turned up there was a roaring fire to keep us warm with a cuppa and biscuits while we waited for everyone to get ready, they were running a bit late as they all slept in but we weren't in any hurry as we chatted next to the fire.

We then drove them to Barham and on the way I was asked by one of the kids, what was the handle on the inside of the door? I looked at what she was pointing to and it was the window winder, I told her what it was and they were amazed as they have not seen one before, (kids now days)

## Federation Delegates Meeting 3rd August 2024
