- Sunday 22nd** Sun Assist car show. Entry form coming at a later date.

Keep an eye out for SMS messages regarding runs.

President's Report

Hi Members,

Our Annual General meeting is due next month, like any organisation it is extremely hard to get people to volunteer for positions on committees. If you look at our club we have been very well served by those members who have dedicated their time and effort for the benefit of our members. The MVVC is well organised, that has kept pace with modern technology, this can only be achieved if we can attract members to carry on the legacy left by others for now and into the future for our Club. Younger or older members, the club needs you to carry on the tradition.

Nomination forms for committee positions will be available at the front desk at our meeting, if you need information or you would like to discuss any issues relating to positions contact me.

There are still members who have not paid their membership, if you have a vehicle on club plates you must be financial that is the State law. You can pay online or contact the treasurer Rod Gleeson to organise payment . The registrars will have an up to date members list so avoid disappointment or unpleasant discussion with the registrar, membership renewal is due on 30th June.

Regards Don.

Important for Members with NSW registered vehicles.

The paperwork for NSW club registration can only be signed by the club members authorised by the NSW authorities

These members are Bob Jones and Robert Rigby.

Please do not get your paperwork signed by those not authorised to do so.

A couple of Federation Matters

To the Members of all Federation Member clubs.

The Bendigo Swap has a few vacant sites both indoor and outdoor for this years Swap. These will fill fast once we place ads on the social media outlets.

Our offer to Federation Club members is that you can apply now for a site so as you do not miss out.

Please type in Bendigo Swap 2024 in Goggle and follow the headings to find the application form and complete that and send it in please.

If you wish to discuss it with me please don't hesitate to give me a call.

Thanks

Neil Athorn
Swap Committee Secretary

Hi all,

As discussed at our meetings The University of Canberra and the Australian Historic Motoring Federation are conducting a survey on current and future use of fossil fuels and lubricants in operating heritage machines.

Fossil Fuels keep our heritage machines working so whether you are a private owner, a small museum or a government funded institution, we are keen to know what types of fuels and lubricants your machines use and how you might prepare for a potential phasing out of fossil fuels. This could include historic motor vehicles, steam, aviation, maritime, farm equipment and early electric machines, or any other old machines that you keep in working order.

Help us prepare for the future of operating heritage by participating in our survey here: https://uoc.syd1.qualtrics.com/jfe/form/SV_eYdZYPxnUunYd3o

Please distribute this to your member clubs for them to complete.

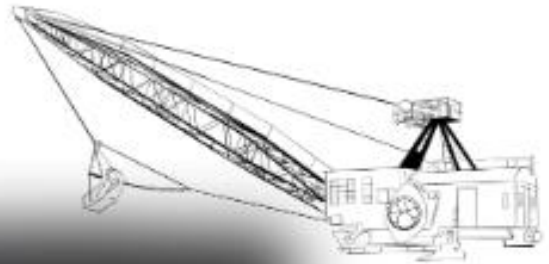

Best Regards,

David L. Berner
Director/Consultant

Fossil fuels keep many of our heritage machines working

HISTORIC MOTOR VEHICLES | STEAM & FARM MACHINERY | AVIATION & MARITIME EQUIPMENT ETC

But things are changing...

**WHAT HAPPENS IF FOSSIL
FUELS DISAPPEAR?**

Help us prepare for the future of operating heritage by participating in this survey.

NOTE: The survey link below does not collect any personal information

Research Partners

Supported by

During my recent trip to Shepparton, Alison & I paid a visit to Southern Rod & Custom to view some of their work. I don't know what sort of paint they use but all of the vehicles were the shiniest I have ever seen. An amazing place and well worth a visit if this sort of thing floats your boat! We were allowed to wander around the 'showroom' and view a vast array of cars from an early 356 Series Porsche to a late model Commodore. They carry out complete restorations to wildly modified rigs. What you end up with depends on your wallet I guess. Well worth a visit if you're in the area.

Rig

Continued next page.

Autobarn Assembly

With the threat of rain on the way I decided to not expose my Model A woodwork to the elements but nevertheless I ventured in to have a look at what was around. Vehicles from our club, the Utes n Vans and the 4 wheel drivers were there to check out. I snapped a photo of Johns Ford for the front cover and a view down the row of cars. Plenty of people around including some dodgy drivers with some shocking parking efforts and poor etiquette! I had a quick chat to a bloke in a 2004 Ford F350 (which barely fitted into one parking bay), 7Litre Diesel (from memory). It was for sale for \$70K but needed to come with a step ladder as the top of the front guards was about shoulder height on me. You would need the ladder to reach the dip stick but I'm sure it would tow a big van very easily. By the time I left the rain was starting to get a bit more noticeable.

George

Rig's Ramblings.

Big Money In The US.

Occasionally there is a TV show on car auctions in the US, usually a Barret Jackson event. Recently I wasted some time watching one where some of the prices astounded me. Some examples are:

2018 Ford GT Heritage edition with 15 miles on the clock-\$1.1 mil.

2021 Ford Bronco with a big motor and done up like a Christmas tree-\$1.075 mil

1966 Shelby Cobra 427 Super Snake-\$5 mil

1961 Jaguar XK 150S convertible in shiny black paint-\$120,000

The Jag certainly appealed to me and at probably at a bargain price. But as we know, everything is bigger in the US.

History Being Repeated?

As sales of the Model T started to drop off in the mid 20's and Dodge & Chev started to climb up the sales charts, Henry's advisors suggested that he update his car. Old Henry, who was pretty stubborn, replied along the lines "They may want something different but I know what they need". Finally, he could see the writing on the wall and out came the A model, which was an immediate success.

It appears that Elon Musk is following in Henry's footsteps, as Tesla sales tumble, as does the share price, and the Tesla people plead with the boss to update his cars. Weirdo Elon refuses and continues on his blinkered direction of building autonomous cars, "as that's what the public need".

Why Are Chinese EV's Cheap?

As we know, nearly all electric cars available in Australia are made in China, as they flood the market around the world with their products. Joe Biden has lifted the duty on Chinese cars from 27.5% to 100% in an effort to help local manufacture and encourage more companies to set up in the US. Europe has now put an import duty of 38% on all cars from China.

Why are they so cheap? Government subsidies are the reason, estimated to be over \$200bil over the last 14 years, which roughly translates to 18% of production costs. Not only are car makers given a leg up, the country's largest battery maker has had its subsidy increased from \$76bil in 2018 to \$809bil in 2023! How do other countries compete with that?

Contact John Stevens if you are interested in attending. 0427 246524

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001

There is one requirement though!

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.

The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.

*Brent Gowers
MVVC Historian*

Minutes of the Mildura Vintage Vehicles Club Inc.

Meeting 7th June 2024 at the Club Rooms

Meeting was opened by President Don Carr at 7.35pm

Apologies:

Editor's Report: nil

VIC Permit Scheme Officer's Report: Ken Andrews reported

Ken Andrews - 1997 Holden Statesman
David Scammell - 1984 Toyota Supra
Mario Demarco - 1971 Morris Mini K Saloon

NSW Responsible Person's Report: Robert Rigby reported

Shaun McInerney - EH Holden

Property Report: Ann Gleeson filling in for Jan - name badges to collect, usual articles available.

Welfare Report: Ann Gleeson reported that Jan Collins treatment not yet started. Marion Hassett home after knee op. Robert Scutcheon doing ok. Russell recovering but has a hernia now.

Building Committee: nil

Librarian: nil

Historian: nil

Publicity: nil

Rally Committee: nil

Reports were moved by George Conner. Seconded by Graeme Skinner. Carried

General Business:

1. Robert Rigby said members selling vehicles should offer them to other members first.
2. Constitution - Michael Keenan reported that the solicitors have checked the draft. There will be a sub committee to discuss small changes at the July meeting, then it will go to the Annual meeting.
3. Robert Rigby said that Men's Health recommend that men have a colonoscopy every 4 years. National Motoring Heritage Day in September will focus on Men's Health.
4. Kevin Telford's daughter, Colleen is having another garage sale.
5. Leonie asked members to bring a plate for the July meeting and food will be needed for about 100 at Federation meeting.
6. Trevor Combe and Frank Saigar suggested that Club could share information on the Community Radio.
7. Peter Stone said the steam train is running this weekend.
8. George Conner reminded members to have log books ready for inspection when driving, a new entry is required after midnight.
9. Robert Rigby suggested having a Distinguished Gentlemen's Drive for pre 1980 vehicles. Club looking for ideas.

The raffle was drawn by Graeme Skinner. Raised \$164 to be given to Peter MacCallum Cancer Centre.

Meeting was closed at 8.40pm followed by supper.

The Suggestion Box!

In line with the idea bought up in the last committee meeting, members are welcome to put forward suggestions relating to any aspect of the club such as activities to do or places for runs.

Suggestions can be left in the box provided at the club rooms.

Hi MVVC members – we have a very reluctant sale – as we are buying an older house & we need to fund a few areas of refurbishment to get settled in ...

1974 model Kombi Camper Van, - some members would of seen the purple Kombi on the "Nangiloc Tavern run"..

1600cc engine,

Currently on club rego,

Fridge, Stove, Cupboards, & storage etc,

Curtains on all windows in the rear area,

Drives great on the road, & draws some looks & waves ,

Includes new tins of paint for re-spray job,

Some extras, eg new window winder handles, spare fan belts, heater duct hosing etc,

Price \$40,000 ONO

(that's what we paid for the Kombi when we bought it) & can't drop too much lower,

Genuine buyers only – thanks ..

1974 Volkswagon Kombi Camper

Vin Number is CHN2342027245
