Unfortunately our Car photos and photos from our boards will not be able to go back up on the wall, so we will put them onto a hard drive and that way we can run them through the T.V's

Shelving is up in the pantry.

Sunday runs will always start or end with part of it happening in the hall whether it be morning tea, lunch or afternoon tea. We will also use some of these Sundays to do the photos onto the hard drive or organising the kitchen and pantry.

### RENAMING OF COMMITTEE POSITIONS

At the AGM in August the position of Property and Library Officer will be changed to Asset and Membership Officer.

This position requires the committee member to catalogue our assets and maintain the register. This includes all photos, trophies, tables etc.

The membership side is to greet new and prospective new members and guide them through the process and introduce them to current members.

Also, the Club grounds officer will be changed to Clubroom Operations Officer.

This position requires the officer to keep an eye on the rooms and grounds and report to Council anything that may need doing.

Maintaining a log of swipe card holders.

Meeting with U3A maybe every 3 months (or as required) to ensure everyone is moving in the same direction.

Being the liaison with Council for any bookings we may need for the rooms.

Other committee positions will be listed in the July magazine for you to peruse and determine if you would be interested in filling one of those positions

## **2024 NATIONAL RILEY RALLY** **BUNDABERG 13TH – 18TH MAY,** **2024**

Mark and I attended the National Riley Rally at Bundaberg with 32 Rileys, several modern cars and approx. 110 people attending from all over Australia and some from New Zealand.

We left home on Friday, 10th May in our 1950 RMB 2.5l Riley and hadn't gone too far down the road when we suffered our only breakdown at Barmedman, a broken clutch rod – one of the few things that we weren't carrying a spare of. Mark repaired it with a borrowed welder, and we had no further car issues - not bad for a round trip of 3,300km.

*The Thomas's 1950 Riley*

We arrived in Bundaberg on Sunday afternoon. The rally officially started on the Monday with a BBQ lunch and catch up followed by the welcome dinner at night.

On the Tuesday we toured around the Bundaberg district visiting the Hummock Lookout (on the only hill around), then to the Mon Repos Turtle

Sanctuary and to the Bargara Golf Club for lunch with its beautiful coastal views.

*View from Hummock Lookout*

Wednesday morning, we went on a 3-hour cruise on the "Bundy Belle" on the Burnett River. After lunch we visited the Hinkler Hall of Aviation & Hinkler House in the Botanical Gardens. The mid rally dinner was held at night.

*The "Bundy Belle"*

On Thursday we drove through the hinterland to Childers where we had lunch and explored the town and visited the very moving Backpacker's Memorial. After lunch we visited Macadamias Australia for a tasting session.

Friday morning was the group photoshoot at the Botanical Gardens followed by a visit to Fairymead House and Sugar Museum. After lunch we toured the Bundaberg Rum Factory and the Bundaberg Barrel (Soft Drink) Factory.

On Saturday the Rileys were a special feature of the Annual Bundaberg Heritage Car, Truck and Machinery Show. The Farewell Dinner was held in the evening.

Passing Yelarbon Silos near Goondiwindi on the way home

We left for the long trip home on Sunday morning staying overnight with some new Riley friends on their farm at Dalby. We arrived home on Tuesday afternoon after a wonderful time at the Rally where we enjoyed catching up with old and new Riley friends.

A woman ran a red light and crashed into a man's car. Both cars were written off, but amazingly neither of them was hurt.

After they crawled out of their cars, the woman said, "Wow, just look at our cars! There's nothing left, but fortunately we are unhurt. This must be a sign from God that we should meet and be friends and live together in peace for the rest of our days." The man replies, "I agree with you completely. This must be a sign from God!"

The woman continued, "And look at this, here's another miracle. My car is completely demolished, but my bottle of 75-year-old scotch didn't break. Surely God meant for us to drink this vintage delicacy and celebrate our good fortune." Then she handed the bottle to the man.

The man nodded his head in agreement, opened it, drank half the bottle and handed it back to the woman. The woman took the bottle and immediately put the cap back on and handed it back to the man.

The man asks, "Aren't you having any?"

She replies, "Nah, I think I'll just wait for the police."

## MAY MIDWEEK RUN

On Wednesday 15th May 2024, we met at the Shaw St clubrooms at 1pm.

Our run was out to the Uranquinty Bakery to enjoy the nice selection of goodies for afternoon tea. We traveled down the newly opened Dunns Road, making the trip to the Olympic Highway then onto Uranquinty. A lovely drive.

18 members enjoyed the drive, cuppa, cake and lots of chatter. Received 9 apologies for the event as well.

Nigel Smith's Pope motorbike 🤩 (1913 model - but I will stand to be corrected ) turned many heads as it stood proudly in front of the Bakery.

A nice day out and about.

Hope you can join us on our next mid-week run outing - 🙌🙌🙌 it's on Sunday 23rd June. After we have all enjoyed our June Rally.

Take care , get out and about when you can.

❤️🤩

Pam

Somehow the Clouts ended up in the police compound at the Pre 31 Rally!!

## ***Rego Day***

Registration Day will be on one Sunday in November. Originally November the 3<sup>rd</sup> was nominated, and may still be the chosen day, however it clashes with the Fishing for Kyan Day.

Please keep your eye out for updates. If you are unable to make the nominated registration day you will be required to obtain a pink slip and prearrange signing off with our Registration Officer, Gerald.

**Three Priests are talking**

"I've tried everything," says the first priest. "I still can't get rid of our rats in our church."

"Same here!" says the second priest. "We've tried poison, traps, and noise. Nothing works."

"We don't have that problem," says the third priest. "We baptized and confirmed them all, and now they just show up at Easter and Christmas."

***The Road to New Club Rooms***

From the first Expression of Interest meeting in November 1966 and for the next 27 years, the club met at numerous venues including pubs, clubs, Remand Centre, TAFE & Council halls. Members restumped the Downside Hall and used it for meetings and June Rallies for many years.

The club decided to build its own clubrooms and in 1991 secured a lease for community land being the disused Postal Institute Tennis Courts on the NE corner of Morgan & Docker Streets. The clubrooms were constructed by members in three stages with the first meeting in the new building held in December 1993. The Club rooms served us well for their predicted 30-year life.

To improve site utilisation and assist with costs, the club leased the rooms to the Crow Club, then the University of the Third Age (U3A).

Council decided to rezone and sell the land, offering to replace our building on a like for like basis at a location to be determined. The land was purchased at auction in November 2020 by the adjacent owner and was subsequently approved for multi storey development. We vacated the site in May 2022 and the building was subsequently demolished. The Club's property was put into storage at various members' sheds and Council storage facilities. Club meetings were held at the Senior Rugby League club rooms at the Equex Centre.

The Club appointed a Relocation Subcommittee to liaise with Council officers and report to the Committee. Various Council sites were considered, with the Club settling on the Women's Bowling Club site in Shaw Street which was disused. Numerous meetings with Council Officers followed to determine the needs of the Club and U3A.

Council proposed a Design & Construct contract based on described needs. The Subcommittee was able to provide a design for consideration by tenderers, and that design was fundamentally adopted with minor tweaking. Improvements beyond "like for like" include a foyer, dedicated meeting rooms with kitchenette for the Club and U3A, dividable hall, outdoor servery, pantry, outdoor covered area, separate disabled access toilet with baby change bench, modern communication and security systems, and sealed 22 space carpark. The new site has ample on street parking, adjacent sportsgrounds and convenient access to arterial roads.

The new building is a Council owned Community Hall which the Club and U3A lease. The public can also lease at vacant times.

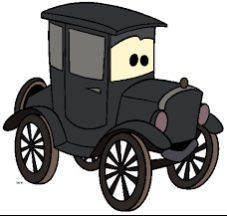

The new Shaw Street Community Hall – home to WWVVMC and U3A

The building construction has been undertaken during challenging times with the flow on effects of covid 19, escalating costs, worker and materials shortages and Council processes all adding to the time frame.

Access to the building was achieved mid-May 2024, allowing the Club to "move in" and prepare for the 2024 June Rally.
