President's Report

Hello Members,

Welcome to our first meeting in 2025. Hope you all had a great Christmas and New Year. Our Christmas party was a great success for all those that attended. It was a very enjoyable evening. Thanks to all those who contributed to make it such a success.

The Christmas light run had a good turnout. As I was on call, I only attended the dinner at the Gol Gol boat ramp.

The Australia Day breakfast will have been and gone by the time you read this newsletter.

Future events include the camp out at Lake Cullulleraine in February and the Easter Rally in April. Please consider entering the Rally if you have not done so and support the Rally Committee to make this 25th Rally the best ever. It is always a lot of fun with like minded enthusiasts.

Gas has been connected to the new stove and power will be connected soon.

Happy Motoring and all the best,

Graeme

The Christmas Party

The Christmas get together was again very well attended again this year. Everyone left well fed thanks to all who chipped in under the capable guidance of Leonie. There were the most christmasy lady, gent and kid as well as a visit from the big fella himself with presents for the kids. We were also treated to a singing performance from Olivia which was very well received. I wonder if she got the hippo?

Christmas lights run

Some club members gathered at the boat ramp at Gol Gol for take away tea before embarking on a tour of the Christmas lights around Mildura and surroundings. The evening was quite pleasant with members bringing out some cars I personally had not seen before. As it is difficult to keep everyone together driving around in the dark, so members went their separate ways to tour the lights.

Above: Dinner before departure.

Left: Jerry and Karen East's Triumph.

Above: Phil Muir's 1935 Ford. Below: Keith and Zena Stewart's Jeep

Australia Day at the Botanic Gardens

When I signed the attendance sheet, I think I was about 25th, so there could have been around forty members altogether. Our club and the muscle car club meant that there was a great variety of vehicles to check out. The morning was a pleasant social occasion and the morning kept on giving as many of us moved onto Nitro Golf on 15th St for coffee. That place was humming when we got there, cars everywhere, we were lucky to find a park, we ended up on the nature strip out the front. Nitro Golf does very nice coffee and food. I would highly recommend it at any time.

My impression was (and I may be wrong) but the overall numbers seemed a bit lower than previously even though there was strong support from the club members. Perhaps it was because we got there earlier than previously and had no worries getting a seat.

Some things seen in our travels.

Above: On the way to Adelaide on New Years Day, I always check petrolspy.com.au to see where the cheapest fuel is and plan my stops around that. This time with fuel in Adelaide around the \$1.89, Blanchetown was \$1.69 so that was the planned fuel up place. Being New Years Day it appears that most of Adelaide was on the Murray with a large thirst for ice. The only way to store it was to wrap it up by the pallet and sell it as needed.

Right: I know Victoria has a habit of nicking South Aus events, perhaps the Vic gov should grab this up until now unknown form of dog racing. It might help to balance the vandalised budget. I snapped this in Henley Square.

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email

provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.
