President's Report

I would like to remind members that our annual membership subscription is due by the end of the financial year June 30th. If you have club permit plates, by law, you must be a financial member to drive your vehicle. You only have Seven days grace after 30th June.

Mildura Council had a reception for all clubs and invited 2 members from each club that participated in the Easter events this year, they were extremely grateful, as it brought so many people into Mildura for the Easter long week-end. This event is so popular for local and interstate enthusiasts from all around the district. The flow on effect to the town's economy is well received and they look forward to the future and hopefully that it continues to grow bigger in the coming years, Shane Downes and myself represented our club.

Good to see club members up and about for the run to Renmark, the weather was perfect we stopped at Lake Cullulleraine and then on to the Renmark Club for lunch, a really good outing for club members.

Regards Don

Important for Members with NSW registered vehicles.

The paperwork for NSW club registration can only be signed by the club members authorised by the NSW authorities

These members are Bob Jones and Robert Rigby.

Please do not get your paperwork signed by those not authorised to do so.

The Shed Run

The shed run on Sat 11th May was quite well attended and I am sure was enjoyed by those who did attend. The first shed visited after having morning tea at the club rooms was that of President Don Carr where we saw an MGB and three Buicks.

Then it was on to Trevor Thomas's property where we inspected his vintage Chev 4, an incredible collection of number plates, car badges etc. as well as various unrestored classic cars. This was followed by a BBQ lunch and pancakes thanks to Ken Andrews and Andrew Hudson.

The third shed to visit was that of Rod and Anne Gleeson where we saw their MGA, 2 door Studebaker, Jaguar MK7, Citroen 2cv and Citroen ID19. Rod demonstrated the raising and lowering system of the ID,s suspension as well as other unique features of the car.

Many thanks to Don, Trevor Rod and Anne for opening up their sheds for us.

Ken Bennett. (Thanks to everyone who sent in photos, here is a selection of them. Ed)

The Club run to Renmark

I decided to go on the club run to Renmark as it was a good distance to give my Cordia a good run. I picked up my friend (Tahya) and set off for the weighbridge meeting point. When we arrived there were a few members already assembled. While the rest were coming I had a quick chat to the others. I took some photos and then headed off to the lake on the tail end of the convoy. I had some snacks at the lake with the screaming cockies. No problems with the car so far! From here the whole 15 (or so) car convoy left for Renmark. At the fruit fly nazi point, the lady couldn't figure out how to open the back of a 1985 Cordia so I had to help out! At the first roundabout in Renmark, the car cut dead blocking the crew in the silver Jag behind! Got it going ok but was then lost! Found the Club OK and had a very nice lunch. When it was time to leave Dad said to fill it up as we aren't sure how good the carby is and what the economy or the fuel gauge is like. It turned out the fuel gauge is OK but the economy is not, time for a professional carby rebuild I think. My friend and I a lovely outing. Old cars might be winning her over as this type of activity isn't something she would usually consider but she is thinking having a older car might be nice in the future.

Milly Conner.

Rig's Ramblings.

Big Money For Old Holdens.

The Echuca Holden Museum has closed its doors and most things sold off.

Some of the prices were pretty interesting, making one wonder if some were on mind enhancing substances. Here are some examples: '48 FX ute \$83k; 68 HK Monaro 327 \$250k; '71HG Monaro V8 \$123K; '74 Sandman \$45k; '72 Monaro 350 \$315k' '74 Statesman Caprice Coupe \$147.5k; '70 Brougham \$116k.

China Takes The Lead

No doubt you have seen the new Chinese made car brands on the market lately. Very soon there will be another 6 new brands coming to Australia. BYD, the maker of EV's, is ready to pass Tesla as the world's biggest electric car maker. For many years, this company has been the world's largest manufacturer of rechargeable batteries. Of course, all of these makers are subsidised by the Chinese government, so it's pretty hard to compete with that. Don't you find it strange that the biggest builder of emission free cars is also the largest polluter?

Hybrid Vehicles Overtaking EV Sales In The EU

It appears the people in Europe are ending their love of electric cars and turning to Hybrids. This may be due to them not liking the cheap imports and can't afford one of their locally built cars.

The Unseen Consequences of Electrification:

The following is a bit of a summary of an article in a newsletter is subscribe to.

It talks about "Electrosmog". It's the constant bombarding of us by EMR (electromagnetic radiation) and its impact on the Earth and everything on it. A researcher, W. John Martin (MI Hope Institute of Progressive Medicine, South Pasadena, California) has released a study connecting EMR to human-induced global warming. Very little research has been done in this field so the jury is still out. EV's are amongst the highest emitters of Electrosmog especially while they are charging. It would be ironic if the "saviour" of the planet, the electric vehicle, actually turned out to be a worse climate change villain than the internal combustion engine. As we head towards a world of AI & 5G playing into our lives the level of Electrosmog will also increase. In 2011 the WHO classified radiofrequency radiation (a form of EMR) as a possible 2B carcinogen. A 2B carcinogen is one with animal studies that show the probable link with cancer but no human data. We all need our gadgets to get by in this world but it remains to be seen if EMR becomes the new Carbon Dioxide.

Ed.

A tree fell on my fence. Making the best of it while I negotiate the repair.

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001

There is one requirement though!

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.

The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.

Building Committee: Don reported that the water leak has been fixed.

Librarian: Alan Hassett reported there are plenty of books in the library. Magazines have been tidied and placed in boxes. Also DVD's available for borrowing.

Historian: Brent Gowers gave a detailed report about the awards that are given at the AGM for the man and lady who have the highest attendance during the year. The Bert Fraser award is given to the male winner and the Rene Nash award to the female winner. There is also a young person (under 18 years) encouragement award. Points are allocated for attendances as follows - 1 point for a meeting, 3 points for a run/outing and 5 points for an event with overnight stays. Late life member Kevin Telford and wife Nola won the award 10 times showing how dedicated they were to the Club.

Publicity: Trevor Combe reported that the Club could benefit by accessing a spot at the Community Radio station to promote and advertise upcoming events. Trevor to follow up. George Conner reported that Sunraysia Daily's coverage of the Dareton-Coomealla street parade was good publicity.

Rally Committee: Carolyn reported that there are good numbers on the Rally committee but more helpers are welcome. The Committee have met several times and caterers and venues have been organised and booked.

Reports were moved by David Blanch. Seconded by Col Waddington. Carried

General Business:

1. Don Carr spoke about Men's Health month and encouraged members to get checked if you have any concerns.
2. Memberships for 2024-25 are due by the end of June 2024.
3. John Hulbert has items to give away - Flexible steering coupling for HX Holden onwards and Flexible steering coupling for HB Torana. He has them at the meeting tonight.
4. Anzac Day - a good turn out of our vehicles for the RSL Anzac Day parade.
5. Rod Gleeson advised members that those who pay by credit cards are not charged fees- the Club covers the fees.
6. Carolyn Gowers asked about National Motoring Heritage Day on May 19th and if our Club was doing anything as nothing was mentioned in the events report. At this stage no plans. Leonie added that NMHD has been discussed several times in previous meetings and that Federation's Murrabit Picnic is on NMHD - the day after the Federation meeting in Kerang. Federation nominate National Motoring Heritage Day as the fundraiser for Peter MacCallum which we have contributed to in previous years.

The raffle was drawn by Graeme Skinner. Raised \$195

Meeting was closed at 8.15pm followed by supper.
