# President's Report

Hi Members,

It was great to see so many members at our first meeting of the year which was held in February. Ladies Day was well attended and enjoyed by both ladies and men. It sounds like it will be a regular on the events calendar.

The Lake Cullulleraine camp had a good roll up for the hot weekend that it was. As well as the campers, some members drove out for the day and enjoyed the meal. There was a good choice on the menu – pizzas and schnitzels were popular. A great range of desserts were supplied by members. The meal was served in the common room with air conditioning which was more comfortable than out in the heat.

Jan Collins was awarded Life Membership at the February meeting for all her hard work and dedication to the Club over many years.

Some interesting facts:

Windshield wipers were invented by a woman Mary Anderson in 1903.

Antilock brakes were invented over 100 years ago.

The term “tune up” was created by Henry Ford while working on his first automobile prototype.

The first electric vehicle was created in 1832.

The Easter Rally is shaping up to be a great rally. It is the Club's 25<sup>th</sup> rally. If you have not already entered, please think about joining. Entries close on 18<sup>th</sup> March.

That's all for now. Happy Motoring. Graeme

### Life Membership to Jan Collins.

Life Membership of MVVC was awarded to Jan Collins at the February meeting. Jan is the Club's first lady life member.

Jan has been a member of MVVC for 27 years. 20 years with her husband, Curley, alongside her then continuing by herself for the last 7 years. Jan has been highly involved in all aspects of the Club. She has been on several Easter rally committees as well as participating in Easter rallies and other local events. She has travelled to many of the Federation Picnic days, Federation events and other club rallies – often travelling all over Victoria and South Australia and promoting MVVC in her travels. When MVVC organised the Federation tour from Marong to Mildura in 2016, our flyers had a photo of Jan and Curley's 1959 Austin A95 Westminster as it was so well known by many in the vintage motoring community that the car belonged to Jan and Curley and came from the Mildura area. Jan is always willing to help with catering and was the Club's Property Officer for approximately 20 years and Welfare Officer for approximately 14 years. In her role as Property Officer, she organised name badges, ordered clothing and encouraged members to dress in Club colours. In her role as Welfare Officer, Jan sent many get well cards, sympathy cards, flowers, made many phone calls and visits to hospitals to care for our members, and her efforts were very well received and appreciated. Congratulations Jan

As relatively new members Jo and I have always found Jan to be friendly and approachable, a great asset to the club. Thanks to Carolyn/Brent for the write up. Ed

## Camping weekend at Cullulleraine

Some photos sent in by Shane Downes from the camping outing at Lake Cullulleraine. Looks like the turn out was quite good and the weather spot on. It's a great place for a getaway and it's a bonus that it isn't far away!

Something of interest sent in by Andrew Kynaston.

I was at John's house today. He is not a member of our club but some members may find some interest in the pictures he showed me.

He had a tow truck business in New Zealand and the Holden did a great job of delivering caravans. Thought it be a great picture to share. His late father also had some amazing tractors. I didn't get a picture of them.

Kind regards Andrew.

Time for everyone to get the model identifying happening. Ed

Top: Dented Studebaker? XY Falcon behind

Centre: H?/WB Holden ute? Would this set up be classed as a road train? You wouldn't want a strong cross wind!

Left: The fleet of tow trucks.

Top: Nearly a B Double! I'm thinking an Austin on the trailer. I can't pick the distinctive roof line on the one at the back. Looks too big for an Anglia  
Centre: Bedford tow truck

Left: Sometimes the tow rig has trouble! Looks like a Zephyr towing a sad looking Cortina?

Let me know (gently) at the next meeting how my ID skills went.

## **Ladies Day at Woodsies Gem Shop.**

23 members attended the run from the club rooms to Woodsies Gem shop in Irymple. Shane reports that it was a great day and has sent in some photos. I hope they didn't lose any in the maze!

Leonie will need helpers on the day and also needs members to donate cakes, slices, scones etc. Let Leonie know what you are able to provide. Can be dropped at Leonie's on Thursday afternoon or taken to the Merbein Golf Club on Friday morning.
4. Life Membership was awarded to Jan Collins - the Club's first lady Life Member.  
Graeme Skinner presented Jan with a certificate and Carolyn Gowers spoke briefly about Jan's involvement over the years -

Jan has been a member of MVVC for 27 years. 20 years with her husband, Curley, alongside her then continuing by herself for the last 7 years. Jan has been highly involved in all aspects of the Club. She has been on several Easter rally committees as well as participating in Easter rallies and other local events. She has travelled to many of the Federation Picnic days, Federation events and other club rallies – often travelling all over Victoria and South Australia and promoting MVVC in her travels.

When MVVC organised the Federation tour from Marong to Mildura in 2016, our flyers had a photo of Jan and Curley's 1959 Austin A95 Westminster as it was so well known by many in the vintage motoring community that the car belonged to Jan and Curley and came from the Mildura area.

4. continued . Jan is always willing to help with catering and was the Club's Property Officer for approximately 20 years and Welfare Officer for approximately 14 years. In her role as Property Officer, she organised name badges, ordered clothing and encouraged members to dress in Club colours. In her role as Welfare Officer, Jan sent many get well cards, sympathy cards, flowers, made many phone calls and visits to hospitals to care for our members, and her efforts were very well received and appreciated. Jan thanked the Club for the award. She spoke about her involvement with members in her role as Welfare Officer and said she was disappointed that a member had not taken on the role that has been vacant since September. Jan is willing to take it back on now that she feels well enough.
5. Robert Rigby spoke about a friend who had a Falcon ute stolen with important papers and remotes in the glove box. Luckily he got the papers and remotes back as a lady in Red Cliffs found it all dumped on the side of the road. Robert said that professional thieves are now slipping a tracker under cars at car shows so then they know where the car is.
6. Robert Rigby spoke about the price of used cars - a rare 1950's Mercedes Benz race car (raced by Juan Manuel Fangio and Sir Stirling Moss) sold for \$74 million (Canadian dollars) and a Porsche 917 formerly owned by Steve McQueen and then Jerry Seinfeld was bought by an auctioneer for \$40 million then the bidding opened at \$60 million.
7. Robert Rigby won't be renewing his two sites at the Bendigo Swap.
8. Leonie Lyttleton asked if the Club could purchase a stick vacuum cleaner. Will get prices for the next meeting.

The raffle was drawn by Graeme Skinner.

**Meeting was closed** at 8.49pm followed by supper.

*If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001*

*There is one requirement though!*
