

# Casterton Motor Enthusiasts' Club CASTERNOTES JULY 2024

**Maybe if we get the ingredients together we could make up our own brew for the next run...??? (Gavin)**

## Presidents Report

The cold weather is hanging around with us yet the rains are not forthcoming, hoping we get some good spring rains for the farming community or things will really get tough through the coming summer, let's hope for the best.

On the club level thanks again to the executive who have kept the wheels in motion in my absence, according to Jeoff every thing is progressing to plan which is good news ,thanks to Andy Best taking on the treasurers job, from all reports he is handling it with ease. On Monday evening Jeoff and I attended a meeting at the footy club rooms where all user groups of island park were represented, the shire were represented to inform everyone in regards to funding and improvements to the park in the future, as we have discussed at meetings every user group is to have a wish list ,all these from the groups are collated and will be how future works will be prioritised in the park area, we are to meet again in about six weeks to look at the prepared documents.

Just on a social note Lois and I have a lovely trip for seven weeks ,looked after our youngest grand kids in Brisbane for two weeks and then to outback Queensland and down through New South Wales mind you not without incidents, if I can I will add a few photos and some text to explain, mind you I don't yet know how this will happen.

That's it from me happy motoring

C M E C. President. Gavin Lowe

I came across these in Roma, QLD on my travels. Some beautiful wire / metal work displays, showing some great creativity. Well worth the stop.
