Presidents Report

Quote of the Month:

My car may not be able to talk, but it sure knows how to say 'I love you' through its shiny exterior."

Tune in to 99.1 Smart Fm

Dear Members,

I would like to thank Carol for organising the Quambatook runs and thanks to Joe Higgins and Nita for organising the event on the day as Carol and I were unable to attend the event on the day due to other commitments. I have only heard great reports of the day not only from our members but Mallee Cruisers Club as well.

Thanks, Joe, for holding the ship whilst I was on tour in Japan. I had a great time whilst in Japan and it was great to return to an English language country.

Our next event is our weekend away hopefully you receive this before we go. The Motor Heritage Day is on the same weekend at Murrabit on the Sunday as per the flyer in the Manifold if you would like to attend.

I had a Phone Call during the week from Michael Holding informing the Veteran Car Club of Victoria that was due to come here for their big rally during Covid times and had to be cancelled are returning in a small capacity in October 1925 and will be asking for some assistance as we offered help last time when they were due to attend Swan Hill. This time only 3 day event not a 7 day event. More information when it comes to hand.

The Austin Seven Club event still happening the committee to return to Swan Hill shortly and will inform you of what also is happening with that Rally.

Our next meeting will be on the 27th of May hopefully see you all at the meeting.

Cheers President David

Quote from Mallee Cruisers Facebook page.

Motor Cycle Report

On 25-28th April the All British Rally was held at NEWSTEAD. Seven members from Swan Hill went along. Jack Scott, Col Plumeridge, Bobby Kelly, Bernie Kelly Myself (Swinno) , Tony & Cooper Raudino . It was pleasing to see Cooper make the effort to make the trip to support Tony on the ride. It was an unbelievable turnout as there would have been at least 1000 bikes in attendance, came from most states in Australia.

Twelve bikes attended the Speewa Swap Meet on 5th of May, The weather was perfect but numbers were down a bit as there were other functions in town that took a few numbers away. Otherwise it was another successful Meet

Next Sunday June 2nd we will leave from the Railway Carpark at 10,30 am , so have your brekky before you leave home. We are travelling to MYAL (between Murrabit & Koondrook) to check out some local history & back to Murrabit for a sausage sizzle lunch using the club BBQ trailer . Would be nice to see a few more cars turnout for this run.

Any Queries to Swinno 0427500669 or Dallas 0400521456

Hope to see you There. SWINNO

ALL BIKES & CARS WELCOME TO MAKE THE TRIP

**Vale
Eric**

Ken ,Linsay & Family would like to thank everyone for their attendance at Eric's funeral. Ken was ecstatic at the numbers that turned out. There was 63 bikes in attendance, and a number of vintage & classic cars ,unbelievable.

Notes from the Editor

On April 14th a few of our members travelled to Kerang for their Holden featured Show & Shine. There was a good roll up of Swan Hill cars as The Mallee Cruisers had it as a club run. Congrats to Robin Ellis for getting an award for his Dodge truck/ute, and to Lester Grey for getting the best painted bumper award. The turnout to the event was more than expected as there was at least 100 Holdens there as well as other models and a lot of motor bikes.

The next event was the combined trip with Mallee Cruisers to Quambatook, What a great day it was for all. Members from both clubs intermingled & had plenty of discussions between each other. It was a pity the John Williamson Museum wasn't open. Disappointing. Had a cuppa then went and had a roll of bowls before lunch. After lunch we went to have a look at the Tractor Pull Museum which was very interesting and worth a look, Then we headed home.

Going by the comments on Facebook the day was a great success and we should look at having it annually.

Time for the editor to have a winge.

I get annoyed at members saying they didn't know an event was on, when its been in the Manifold for 2 or 3 months. If our members can't spare 5 or 10 minutes to read the Manifold, me.the editor hasn't got 5 or 6 hrs to prepare the thing .

Oldest Holden museum in Australia to close in April

The National Holden Motor Museum – which claims to be the longest continuously-running museum in Australia dedicated to a single car manufacturer in Victoria – will close in April 2024. Opened in 1984, the museum was first located in Bayswater before moving to Echuca in 1993.

Owners Tony and Mark Galea said there haven't been any serious buyers, so they will close on 14 April. Most of the vehicles on display are on loan: the remainder will be sold via Burns & Co. in an upcoming auction.
