Dear Members,

As I am writing this Presidents report today the 5th Of June its is a sad day as we have lost another Member in Michael Copping. Micheal will be sadly missed by many members who were very close to him, and our thought are with them and his family.

I would like to thank Nita and Carol for arranging the Deni Weekend away and I am sure that those who attended had a great time and the variety of places we visited was great not just car related. Thank to the Deniliquin District Veteran and Vintage Car Club hosting us for the evening meal of the Friday and they provided this to our club at no cost. They also invited us to join the Motor Heritage Day of Sunday with no time limits for us. And was great to have a great reception from the Edward River Motoring Enthusiast Group who oversaw the Day. Thanks to our members who displayed their cars.

The Motorcycle event just held at Myall was a great day and thank you Ken for arranging this event and the history was fantastic with Graham Cockcroft the local historian n help us with the tour of the hall and church and BBQ area a great display. And thanks to Bret who allowed us to set up the BBQ and have a fire drum for us and provided a great cake homemade by Bret to go with our lunch.

Don't forget your renewals are due by the end of June and many members have returned there renewals so far and just make sure after the 30th June you only have fourteen days and you will be deemed unfinancial and Vic Roads will be notified as this is what our club have to do and your vehicle will not be able to be driven under the Club Plate Scheme.

Our next event we required numbers by the 17th of June for lunch at the Tooleybuc Hotel. Please if you are attending have the decency to inform Carol or Nita if you are attending.

Our AGM will be held on Monday the 19th of August due to most of the committee attending The Golden Oldies. We have decided that the members not going to the Marong Picnic the event for the day will be a day to Speewa Collectors to support their event they hold over this weekend.

Hope to see everyone at our event to Chislett's Farm in June.

My Presidents Day will be on the Saturday the 27th of July. Lock the date in it's a Saturday Evening more info in our next Manifold. Names to David, Carol or Nita for the night of fun and food. Will have a flyer in the next Manifold with what the cost will be o our members for this evening. [Lock in the Date](#) Lock, Lock in the Date Lock, Lock in the Date Lock.

Motor Cycle Report

June 2nd Myall – Murrabit Run

20 Bike & 5 cars made the trip. Dave & Nitta in the A-Model Ford, with Dave Hensons Sandman Ute & following up behind Viv Holland & David Scott with the BBQ trailer.

We travelled to Myall(8kms East of Murrabit on the Koondrook rd) via Pental Island ,Benjeroop & Murrabit.

There we were met by local historian Graeham Cockroft who gave us a very in depth talk on the history of the Myall Church, the Public Hall and the village of Myall going right back to the early days of settlement.

We then went back to Murrabit to Jack Dyer's place where they had a good fire going although the weather was quite warm and was nice all day.

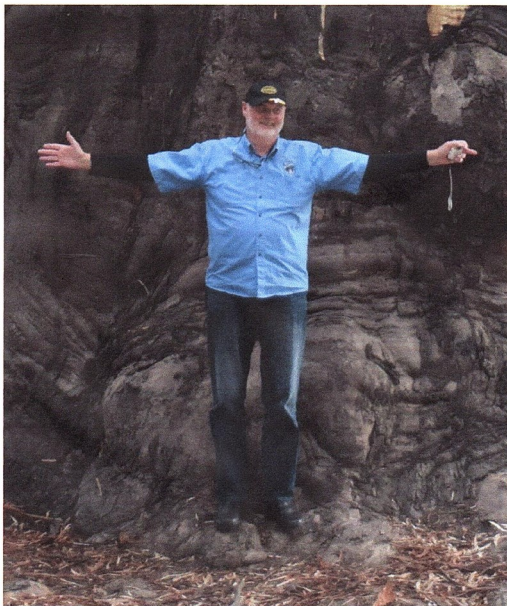

Scotty & Viv got the BBQ smoking & local identity Brett baked a cake for us, then it was tea, coffee or coolaides and then it was an uneventful ride back to Swan Hill.

SHVCVC Weekend Away – Deniliquin - 17th to 19th May 2024

Friday at 8:30am we left the Railway Car Park and headed off for a weekend of exploring.

Our first stop was at Barham for morning tea and opportunity to thaw out in the sun.

Following the Back Roads Trail, we stuck to the bitumen and found The Old School Winery and Meadery at Womboota. This is a friendly small-scale winery operation with four varieties of Mead (mulled honey wine) to taste and buy. Attached is also a Pottery Studio, where we could view the resident potter making things on the wheel and learn about the different types of clay and processes and buy the wares on offer.

After a picnic lunch by their welcoming outdoor fire we headed to Mathoura to look for water birds at the Reed Beds Bird Hide and Boardwalk. Strolling along the path we discovered that there was no water or water birds, but plenty of others in the trees, so a pleasant walk in nature just the same.

Once in Deni we had time to settle in and rest before joining the members of Deniliquin District Veteran and Vintage Car Club for a BBQ Dinner. The members were warm and welcoming and we even took out first and third prizes in the raffle.

Saturday was a later start, for a visit to The Depot, to see cars, bikes, buses, motoring and household memorabilia. It was an immaculately presented display in what was the Purtil's Bus Depot. Heading out of town toward Finley we travelled to The Long Table Café, in Warragoon.

We were given a tour of this mixed hobby farm property, and then sampled the farm grown produce in a tasty lamb casserole, and lemon tart and apple crumble.

A visit to the Deni Ute Muster Museum filled in the afternoon, with a few displays, gift shop and interesting conversation with the staff.

It was too cold to gather in the Camp Kitchen for dinner, so the venue moved to Daly's Cabin for a three course dinner for 24 people. I'm not sure if Lunch was too filling or we over catered but there was more than enough food to go round. Many thanks to our Chefs David, Carol & Kevin.

A Quiz was held to test our knowledge on Australia, and it proves we need to study harder.

Sunday morning saw us at the Peppin Heritage Centre located in the Deni Information Complex, to view the history of the Air Force Flying School set up to train pilots during WW2. Along with the facts and figures were personal stories, and service summaries of the men and women involved in setting up and running the School. Much of the origin was based on local farmers ingenuity and commitment to the cause, and some larrikin competitions between the military personnel.

Well worth a visit. Our next stop was at The Deni & District Historical Society which was located in the 1880s Police Inspector's Residence. The volunteers there have done a good job with the selection of local artifacts and displaying them in themed rooms, according to subject matter.

After a cuppa and chat with staff and author of local history book, we moved on.

Our club members were invited by Edward River Motoring Enthusiasts Group to display our cars . along with theirs in the middle of town to recognise

New South Wales Motor Heritage Day. Many of our group chose to do this and meet a few more like-minded people.

We headed home to Swan Hill in the afternoon, having discovered there's more to Deni than you might think at first glance. All in all it was a good weekend with great weather and company.

Put your name down now for the next trip away to make sure you don't miss out on the fun.
