Presidents Report.

Hi Everyone,

I would like to start this month by saying what a fantastic weekend we have just had in Healesville. By my count we had 24 members travel to Healesville, going on Puffing Billy on Saturday and then to Healesville Sanctuary on Sunday if you wished or having a leisurely trip home.

Once we were there it became extremely obvious of the extraordinary amount of work that Marge had put into every little detail of the trip, on behalf of the members who were able to attend I would like to say a big thank you to Marge Charleson for a great trip (and yes the only car to have trouble on the trip was a BMW owned by the President).

A big thank you also to the members who helped at the working bee to tidy up the club grounds before the Federation Picnic, we will also be looking for some help to cater for the lunch on May 18th so if you can help please let John Rumbold or myself know. Then on Sunday it's off to Murrabit for the Federation Picnic which should be a great day, John and Michelle Goddard have put a lot of work into this event so please support it if you can.

As some of you may be aware the clubrooms were burgled recently with the Rotary Clubs big T.V and PA system and our microphone going missing so if you hear or know of anything please let us or the police know.

The Kerang Show & Shine was held recently, the weather Gods were kind this year (unlike last year), It was great to see so many cars and bikes making the weekend a great success.

Thank you to everyone who helped on the gate or parking the cars and to those who displayed their treasured cars and bikes.

Congratulations to Mark and the committee for hosting such a great weekend.

We are still looking for ideas for an annual run along the Great Ocean Road and we are also looking for a couple of people to join the committee in June.

Next meeting will start with a BBQ at 6.30 followed by the meeting at 7.30.

Cheers, Serge.
