## WMHVS September 2024 Presidents Report

Hi all

Well, not sure where August went, but Sue is chasing another report, so the month is coming to an end. Hopefully you have been able to enjoy a few of the nicer days and given your favorite vehicles a run. Clearly, I am getting a little softer because I have become a solar power motorbike rider, as soon as the sun's out on the weekend it time to get the covers off and enjoy a ride.

At the August meeting Bruce asked for some volunteers to help dismantle the garage we had bought to repurpose as a new home for the club BBQ. It was great to see an impressive roll up and I am a little embarrassed to admit the majority of the work was complete before I arrived. A big thanks to all those that attended, providing vital people power, the tools and transport to get the job done in a very quick time. In time I look forward to the call out that will see us put the jigsaw back together again.

From all reports the Dimboola coffee and cars was well attended, and I look forward to hearing about it at the meeting.

Thanks to the club members who provided the vehicles to support the visit to the Natimuk Nursing Home, it's great to see our club supporting these community requests. I am sure the residents enjoyed the step back in time.

It was great to see the big roll to the Annual Dinner, meeting in the Aquatic Centre car park gave a few locals the chance to look over our vehicles and it even managed to flush out another Crown owner who stopped to share Toyota tales with me before we headed off. The run down the highway seemed to work out well and I don't believe we held anyone up. Apart from a couple getting the lefts and rights confused we all managed to turn up at Barney's Bistro ready to enjoy their hospitality. I think everyone should have enjoyed the day, the meal and venue worked a treat and hopefully managed to get home before the weather turned nasty. I know I was pleased the Crown was back in the shed before the storms set in.

Congratulations to Sue and Mauro Boddi on the Club Persons of the Year Award for 2024, well deserved and earned. Thanks for all that you do for our club and keep up the good work.

I hope the crew heading to Queensland this week don't experience too much of this weather on the annual trek with the old Fords, good luck and we look forward to a report when you return.

With spring weather just around the corner, we will see a number of car shows and other activities, keep an eye on the events calendar and when you can, make sure you enjoy your vehicles and show them off to each other.

I look forward to chatting with you all at the meeting, until then stay safe.

Cheers, Colin

## 2024 Annual Rally – MOVE-ing on up

### 22 to 24 November 2024 – Shepparton

The 2024 WMHVS Annual Rally will be held 22 to 24 November 2024. You can find more information about MOVE at [www.moveshepparton.com.au](http://www.moveshepparton.com.au).

The itinerary is still subject to change and good suggestions from attendees. Current planning is:

If you would like to attend the Rally and/or you have questions or suggestions, please contact Dean Robertson, Rally Director, via email: [rally@wmhvs.org.au](mailto:rally@wmhvs.org.au) or phone: 0477 159 494 (text message preferred). I hope to see you there.

### WMHVS Member Lee Williamson's Request

I have a wish (have had for about 40 years!) that I wonder if it can be posted in the newsletter to see if anyone might be willing to help me fulfill it...

You see since I was a little girl my dad was into vintage cars, and so I saw lots of them, and I always wanted to go for a ride in one that had a "dickie seat" (seat out the boot). It's the whole "wind in the hair" thing I think I'd like to experience. And I'm not getting any younger...

So if anyone you know has one that would be willing to take me for a spin, I'd love to tick that off my bucket (seat! lol) list!

**If you can grant Lee's wish please contact The Editor who will put you in touch with Lee.**

## Federation Meeting 3/8/2024

This meeting was held at Gol Gol which is the final location of the Mildura Ventage vehicles Club. Starting in 1966 at the old Power house then moving to several locations and finally ending up in a very neatly renovated Council building. The club has 180 members. 70 Federation Members from Victoria and NSW attended the meeting. President Graham Skinner welcomed all after a filling lunch supplied by the members.

**Points of interest at OGM,** since COVID and floods our financial position has been tested, but expenses beyond our control were all meet.

60 vehicles entered in Golden Oldies Tour which is now starting after the Morong Picnic. Some volunteers needed for roster duty on intersections. This is the first time the RACV has not supplied a back-up emergency vehicle after years of dedicated service. Vehicles are seemingly become more reliable.

AOMC's CPS information book has been sent to VicRoads for final step before releasing to clubs.

Two more vehicles have been recorded as stolen since the last meeting a Vincent M/Cycle and Monaro

Another warning was issued on using copyright correctly.

Before buying a vehicle check that it can be registered in Victoria

Bendigo swap 1750 sites available, some not filled as yet. Contact Federation Web site

Changes to food stalls. Only seating available at VJ Café

Federation to supply free water during swap

Vehicles attending Morong Picnic this year must enter from the Bendigo side near the railway crossing. The west side is permanently closed. Vehicles need to attend from 10.30 to 1.00pm

Peter Mc Cancer donation tin available for clubs to collect.

Ken Andrews gave a detailed description of restoring his 1923 7 seater Packard which was parked for everybody to drool over.

The president's choice was a 1923 Buick roadster

### **Points of interest at AGM,**

Most committee were returned unopposed with applause thanks to all willing to fill positions

A positive treasurer's report was very favourable he was congratulated for filling 20yrs as Treasurer

Special thanks to all involved in organising all Federation picnics

Emphases to make Historic Motoring Day a necessity day in all clubs

1950-2000 vehicles are increasing in value

Meeting closed at 3.05 and followed by afternoon tea

## Model A Ford National Rally - Maryborough QLD

Day 1 - Monday 26th August. Nev & Lyn Eltze, 1928 A Roadster, Gayle and I, 1931 Model A Coupe, both towing campers set off from Horsham at 9.30am. Donald for a coffee, check over, then Boort to Kerang for lunch. Crossed the Murray at Barham and onto Denniliquin. Reached Jerilderie at 5.00pm - 400 odd km for the day.

Day 2 - Eltzes up before the birds, so packed and on the road by 8 30am. On the Newell highway for a bit, but turned off and drove up to Griffith for coffee. Then on to Marong, Rankins Springs for lunch. Got to Lake Cargelligo mid afternoon then reached Condobolin at 4pm - called it a day. Another 400km down.

Day 3 - On the road again at 8.30am, 100km east to Parks. First hiccup when the Eltzes noticed their left rear tyre flat on the bottom. Replaced tube whilst enjoying morning coffee. Proceeded up the Newell Highway (heavy traffic). Stopped at Tomingley for fuel, then turned off and drove up to Narromine. Nice town and good spot for lunch. Then against local advice, we took a back road short cut to Eumungerie (too many trucks, road all chopped up !!) Turned out to be a nice track and we passed about 3 trucks. Then onto Castlereagh Highway up through Gilgandra and reached Coonamble just on 4pm. 400 odd km for the day.

Day 4 - got up for a bathroom visit before 6.30am and ran into Nev E - up, dressed and raring to go !!. Gunna have to educate the lad !.8 30am on the road and 115km up to Walgett. (Could have been our second hiccup as the 0 on the fuel gauge indicated we were not going to make it - had some spare on board so put that to use !. From Walgett we kept north to Lightning Ridge. Lunch stop there, then onto historic Hebel. Crossed into QLD at 2pm and had an enjoyable beer at the Hebel Pub. Then on to Diranbandi. Looked for fuel there as we had been assured - No worries mate - Dira has fuel - you'll be right - hey ! (Yep - we are in QLD). Got there - no mate, you won't get petrol here we only have diesel ! Nice. 95 km to St George, so change of plan and headed up there. Arrived 5.00pm. GPS showing 1600km since we left home. Both cars 90 plus year old speedometers showing within 12 miles of 1000 miles. Not bad. !! 600km to go and 2 1/2 days to get there.

Day 5. Left St George at 8 45am (already nearly 30C !!). Decided to go the back way to Chinchilla via Surat. Signs indicated we are in 'Outback Queensland'. 118km to Surat. Coffee stop there and starting to get really warm. Then onto Condomine - thought we struck it lucky as initially the road was great. Then after about 50km, an abrupt change to a narrow back country road (sealed but !), very narrow, rough and full concentration required at 60 odd kph. Temp over 35C when Nevs car started to vaporise. Lunch on the roadside to cool things a bit, then limped into Condamine. Fresh fuel there, then up to Miles and on to Chinchilla. Found a park there and really happy to knock off.

## Dooen Hall Floor Report

Rod Warrick and Bruce Brody generously gave their time and expertise to repair the hall floor, ripping out termite damaged boards and replacing them with fresh timber.

Robert Emmett checked carefully for any signs of termites as the work went ahead. Encouragingly no sign of the nasties so the work went ahead.

We had a generous donation of some hardwood flooring and a day and a half with the use of Rod's woodworking machinery saw the hall floor repaired. We have to hope the baits made their way back to the nest and we are free of the pests now.

## Natimuk Nursing Home Vintage and Classic Cars Visit on Wednesday August 21<sup>st</sup>

Elly, who arranges events for the entertainment of residents at Natimuk, contacted Events director, Peter Anthony, with an idea to provide a display of WMHVS vehicles to be viewed by the residents.

Due to the limited space available at the nursing home entrance the number of vehicles would be limited to 6 cars on the day. If successful, Elly proposed that the visit could become a regular event so that in due course and over time a good range of members vehicles would be displayed for the enjoyment of residents.

Peter contacted a few Horsham members who readily agreed to be part of the initial visit.

We met at Super Cheap Auto at 9.30am. There were a couple of last-minute apologies due to sickness and a sudden family commitment however at 10am Peter waved farewell to the following vehicles

Bruce Brody in his Rugby Tourer, Lynne and Neville Eltze in the 1928 Ford Model A V8 roadster, Neville and Col Thomas in the 1930 Ford Model A coupe with recently completed "vintage camper trailer" in tow and Don Perry in the 1954 FJ Holden.

We headed westwards with the sky threatening to produce rain.

Arriving at the Natimuk Nursing Home at about 10.30 we were greeted by Elly and other staff who were assembling the residents for morning tea and the viewing of the vehicles.

Natimuk Nursing Home is a modern High Care facility for 20 residents and the majority of those people were brought to the foyer to hear Neville Thomas give a short resume of our club's history, current membership, our activities and a little bit about each of the cars.

Questions were taken while we enjoyed a lovely morning tea then those residents who wished to get a closer look went outside under the entrance portico where the cars were parked.

There was much reminiscing about days gone by as the cars brought back memories.

Elly thanked us before we left and suggested that another visit by other club members with different cars could be arranged soon.

We left for Horsham about 11.30am after a very successful visit.

## WMHVS Annual Dinner

Our annual dinner for 2024 was celebrated at Barney's Bar and Bistro in Pomonal on Sunday 25 August. For those travelling from the Horsham area, the group met at the Leisure Centre carpark – the sun was shining and the vehicles and their owners were keen to meet, chat and pay.

Too much meeting, chatting and paying meant that the original plan to drive the quieter back roads was changed to head down the Western Highway, turn at the Mt Drummond quarry road and drive past the shores of Lake Lonsdale and onto the Halls Gap/Stawell road. There was one driver (who shall remain nameless) who thought the best way to Pomonal was to head towards Horsham and one other nameless driver followed however, they soon both realized it was turn left, not right, and they re-joined our convoy.

Our arrival at Barney's saw us meet up with members who had travelled independently and, as the sun had followed us there, we managed to get most of our group into a photo (sorry to the couple of people who had to get out of the sun). The meal was a mains of alternate very large chicken parmigiana or fish fillets - both with chips and salad. A follow up of cups of tea completed the meal. Very heavy rain fell while we were inside – thankfully no hail but it certainly sounded like it in Barney's shed.

Our group also had the opportunity to meet up with the Pyrenees Car Club from Avoca – their number of 47 was pretty much the same as our party of 45.

The all important announcement of the day – Clubperson/s of the Year - was awarded to Mauro and Sue Boddi. Mauro and Sue join a long list of worthy winners and we all offer them our heartiest congratulations.

Question - who needs an ice cream at Hall's Gap when you've just had a meal? Answer – plenty of us so that was the next port of call.

With the weather threatening to get our vehicles wet and muddy (meaning another round of cleaning) we said our goodbyes and headed home.

How many were like Phil and I? We put the car into the garage and the strong winds and rain reminded us we made it – just in time.

Thank you to Peter Anthony for his organisation of the day out (he had many last-minute text messages!). It was a good annual dinner.
