President's Report

Hi Members,

Welcome to my first term as President. I would like to thank the outgoing Committee who have done a fantastic job for our Club. Also welcome to the new Committee for the coming 12 months.

I hope Jan and Don are improving and hope to see them back with us soon.

We have the Jaguar Drivers Club coming to our Club rooms for a barbecue on 7th September. I hope you can all join me there. Also get behind the Events Committee by joining in some of the events that they have organised.

It was pleasing for me to welcome some new life members at our last meeting. Congratulations to Gerry East, Keith Forster and Alan Downes. They have been actively involved in the running of the Club for many years.

We were proud to host the Federation meeting at our Club rooms on 3rd August. The meeting went well and we put on a great spread for lunch and afternoon tea. Thanks to Leonie and her helpers. Also thank you to those who supplied food and supported the Club financially. A few of our members attended the RSL that evening to have dinner with some of the Federation delegates. There were about 50 people and all had an enjoyable time.

Safe Motoring and all the best,

Graeme

Important for Members with NSW registered vehicles.

The paperwork for NSW club registration can only be signed by the club members au-
thorised by the NSW authorities

These members are Bob Jones and Robert Rigby.

Please do not get your paperwork signed by those not authorised to do so.

The Suggestion Box!

In line with the idea brought up in the last committee meeting, members are welcome to put forward suggestions relating to any aspect of the club such as activities to do or places for runs.

Suggestions can be left in the box provided at the club rooms.

Merbein Vanilla Slice Triumph Run

Top: Members cars on display:

Left: Noddy and the Citroen got out for a run.

Below: That's what the fuss is all about! Delicious.

Outing at the Senior Citizens home in Merbein.

The weather was perfect for the run to visit the residents of Chaffey Aged Care in Merbein. I am guessing that we had about 20 vehicles attending which gave the residents plenty to look at and talk about. Morning tea was provided and although I didn't continue on, most followed this up with a drive to Wentworth for lunch. It was great to chat with those present.

Below: And just to make it interesting the adjacent kinder was visiting as well. That certainly upped the energy level as the kids were very keen to check out the cars as well. I'm not sure how many fitted into Phil's cougar but we know the horn work well. My Model A also made a good photo opportunity, it hasn't had that many in the back since my mother used to cart the cricket team around in it!

Wentworth Show 2024

I checked the weather forecast for the show week end and decided that the Saturday would be the best option. Boy was that a good choice. I wasn't there on the Sunday but the weather was foul at home so I don't think at Wentworth would have been any better. The show outing as usual began with a gathering at the parking bay just over the Abbotsford bridge. It didn't take long for the parking bay to be full to capacity! I am estimating 40 cars or so??? We set off for the show grounds and parked in the usual place. I like this show as the food in the marquee is always great and the tool bloke on the oval is always good for stocking up on angle grinder wheels, tools etc. There were some very good sights to see such as the tank of Barramundi, the trials bike riders and Milly dragged me onto the Cha Cha. A great day out overall.

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001

There is one requirement though!

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.

The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.

Rig's Ramblings.

Eyes On The Road

We are constantly being reminded of the “Towards Zero” the campaign by our various road authorities, who are the same people who allow numerous signs to be erected along the roadsides. One of the greatest contributors to accidents is in-attention & not looking ahead. Speed Limit signs are one of the big offenders in this area, as we are constantly looking at our speedo & scanning the road for a sign indicating the limit at that point. In the Mildura area alone we have 20, 30, 40, 50, 60, 70 & 80 areas. Along with many vehicles having certain controls on a screen and the many advertising billboards, it's no wonder there are so many minor accidents. In Queensland, there are a new series of distracting signs such as “Crests Can Limit Visibility”, “Opening Your Eyes Helps Avoid Accidents” and others with stupid messages. It makes you wonder about the decision makers!

How Many Makes Is Too Many?

A few years ago, there weren't a large number of makes to choose from in Australia, but I read recently that there are now sixty-five brands on the market down under, with several more Chinese brands about to be launched. (There are 200 EV manufacturers in China now.) Australia is a choice market for China, as there is no import duty on their vehicles, whereas the US has imposed a 100% tax, the EU has varying amounts around the 30% mark. Why hasn't Australia got one, but we still have a luxury car tax which was supposed to help our vehicle industry.

How Much Power Is Too Much?

GM has recently released the latest Chev Corvette, with what they claim as the most powerful engine ever used in a car. 1,064 HP, top speed about 350 km/h. Just the thing for a trip to Broken Hill, as the 'roos wouldn't have time to jump in front of you!

How Reliable Is Your Car?

A 15-year study in the US has determined that the Lexus brand is the most reliable, with Alfa, Land Rover, Audi & BMW at the other end of the list. They also determined that EV's are less reliable than real cars!

The Right Noise.

As there have been complaints from certain quarters re the lack of noise from an EV, some manufacturers are now building in sound emitters in their vehicles. One would assume that this wouldn't cost the maker much, unlike some instances in the past.

In 1969, Plymouth released their famous Road Runner, complete with a horn that emitted a “meep meep” sound. This exercise cost the company \$50,000 for the rights to use the bird logo, and another \$10,000 to develop the horn, which is a valuable & prized possession these days. The cars themselves also command huge dollars at auction.

The sound of the indicators in the new Rolls Royce EV mimics the clinking whisky glasses! Certainly better than the sounds of some vehicles these days.

REPORTS:

Treasurer's Report: read by Rod Gleeson

Moved by Rod Gleeson. Seconded by Alan Downes. Carried

Federation Report:

Ken Andrews said the Federation meeting will be held in our Club rooms tomorrow.

Graeme Skinner reported about several items of interest from the Federation minutes:

Vic Roads have advised that 5 and 6 digit number plates issued prior to 1984 were issued as general issue number plates therefore no registration number rights to that number are recognised. General issue number plates cannot be sold and can only be reassigned to a vehicle in the name of the same person. Gerry East commented about the problems that he experienced.

The fuel and lubricant survey is still available for those members wishing to do it. It will recognise fuel usage and kilometres travelled.

Events Report:

Robert Rigby spoke about his disappointment with the events - he said the Events Committee had called for different ideas however - National Motoring Heritage Day fell on deaf ears, The Distinguished Gentlemen's Drive fell on deaf ears. Instead drives to the same places, eg: Nangiloc and Werrimul are organised. Robert suggested other ideas such as an observation run, visiting Moose McGowan sign writer, pallet manufacturer, GTS service centre, Steeline steel distributor, Johnson trucks which would all be something new for members to see. Robert questioned why there hasn't been a President's Run for two years. He may organise a run with invited guests only.

Hayden Muir spoke about the events for August as follows:

August 2024

- **Saturday 3rd** Federation meeting being held at the clubrooms.
- **Saturday 10th** Meet at Big Lizzie Red Cliffs at 10am. BYO Morning tea then to Werrimull Pub for Lunch. Let the events committee know if you are coming for booking purposes.
- **Saturday 17th** Great Australian Vanilla Slice Triumph at Merbein
- **Thursday 22nd** Visit Chaffey Aged Care (Lot 2 Main Ave Merbein) at 10am for residents to look at cars. Then we will head to Lock 10 at Wentworth for a BBQ lunch. If the weather is unsuitable we will go to Wentworth Pub for lunch.
- **Saturday 24th/ Sunday 25th** Wentworth Show. Forsters Transport has donated 4 fuel vouchers for prizes for our cars. First prize \$100, 3 prizes of \$50 as APCO vouchers. Many thanks for the donation.

Michael Keenan thanked Forsters for the very generous donation which will hopefully encourage members to come along to the Show. Letter of appreciation to be sent.

Another event for **August 10th and 11th - TRACS** celebrating 75 years of the Chamberlain Tractor. Saturday 10th would be the preferred day for vintage vehicle display.

Hi MVVC members – we have a very reluctant sale – as we are buying an older house & we need to fund a few areas of refurbishment to get settled in ...

1974 model Kombi Camper Van, - some members would of seen the purple Kombi on the "Nangiloc Tavern run"..

1600cc engine,

Currently on club rego,

Fridge, Stove, Cupboards, & storage etc,

Curtains on all windows in the rear area,

Drives great on the road, & draws some looks & waves ,

Includes new tins of paint for re-spray job,

Some extras, eg new window winder handles, spare fan belts, heater duct hosing etc,

Price \$40,000 ONO

(that's what we paid for the Kombi when we bought it) & can't drop too much lower,

Genuine buyers only – thanks ..

1974 Volkswagon Kombi Camper

Vin Number is CHN2342027245
